Hi Dave,

May I ask for your availabilities for a meeting next week? I would really like to talk to you about how EPA can utilize PRI events. We are currently planning two events:

1. a workshop for mayors/elected officials of the lower Passaic to discuss FFS and its impacts.
2. Passaic River Symposium.
3. as a part of the Symposium, a special workshop for all interested parties to encourage discussion on Passaic River.

Best,  
Meiyin
